## Arms Embargo Repeal Assured: Balance Of Power Against Hitler

CHICAGO, Nov. 3 (Reuter).—"The repeal of the Arms Embargo will mark the tendency of the United States' return to her traditional neutrality instead of persisting in an experiment from which only Hitler can possibly derive any good," says the Chicago Daily News, influential organ of opinion.

"Thus it appears that the balance of power is slowly swinging against Hitler," continues the paper. "Balance of power and human instinct are combined against an excessively powerful and excessively ruthless aggressor, who would be ultimately ruined, as every would-be conqueror in the modern era."

A Paris message states that the vote in favour of repealing the Arms Embargo is greeted with great satisfaction in France.

The Petit Parisien writes: "The vote leaves no doubt about American sympathies. To valuable moral support will soon be added material help, which will hasten victory for the Allies."

### PASSAGE ASSURED

WASHINGTON, Nov. 3. (Reuter).—Both Houses are now certain to vote for repeal of the Neutrality Bill, and the Bill is expected to pass through both Houses by tomorrow and sent to the President for signature before Congress adjourns.

### BIG ORDERS EXPECTED

If the arms embargo is lifted, American manufacturers will be able to send abroad immediately most of the 800 aeroplanes already contracted for by the Allies. In administration quarters, a flood of European orders, totalling about \$1,000,000,000 are anticipated in the next few weeks.

Canadians welcome the imminent repeal of the arms embargo. It is expected that Canada will soon be the clearing house for United States supplies flowing to Britain.

### ARMY WELFARE ORGANISATIONS

LONDON, Nov. 3 (Reuter).—New Army Welfare organisations are being formed under Lt.-Gen. Sir John Brown, according to an announcement in the House of Commons yesterday by Mr. Hore Belisha, Secretary for War, who stated that honorary welfare officers would be appointed on the staff of each general, while Territorial Army Associations would be asked to appoint one or more welfare officers.

## Soviet May Desire Cession Of Petsamo From Finland: Rejection Seems Certain

### BIDS FOR MACAO LOTTERY RIGHTS

Bids for the right to operate lotteries in Macao were received in the Portuguese colony yesterday, it is learned from a reliable source.

The present franchise, it is understood, will expire on Thursday next, November 9.

The syndicate at present operating the lotteries was one of the bidders, and other included a syndicate composed of well-known Hongkong people.

## POLES SUFFER INCREASING DISTRESS UNDER GERMANS

PARIS, Nov. 3 (Reuter).—According to reports from Poland, distress among Poles in their native land is increasing. Many court martials have been held and many Poles executed.

Poles in Gdynia have been forced to evacuate their homes and flats in order to make room for Germans evacuated from Estonia and Latvia. Each person is allowed

COPENHAGEN, NOV. 3 (REUTER).—IN ADDITION TO THE DEMANDS OUTLINED BY M. MOLOTOV, THE SOVIET MAY ASK THE FINNS TO CEDE THE DISTRICT OF PETSAMO, STATES A TELEGRAM FROM HELSINKI.

It is pointed out that compliance with such a demand will give Russia a common frontier with Norway, while depriving Finland of her only outlet in the White Sea.

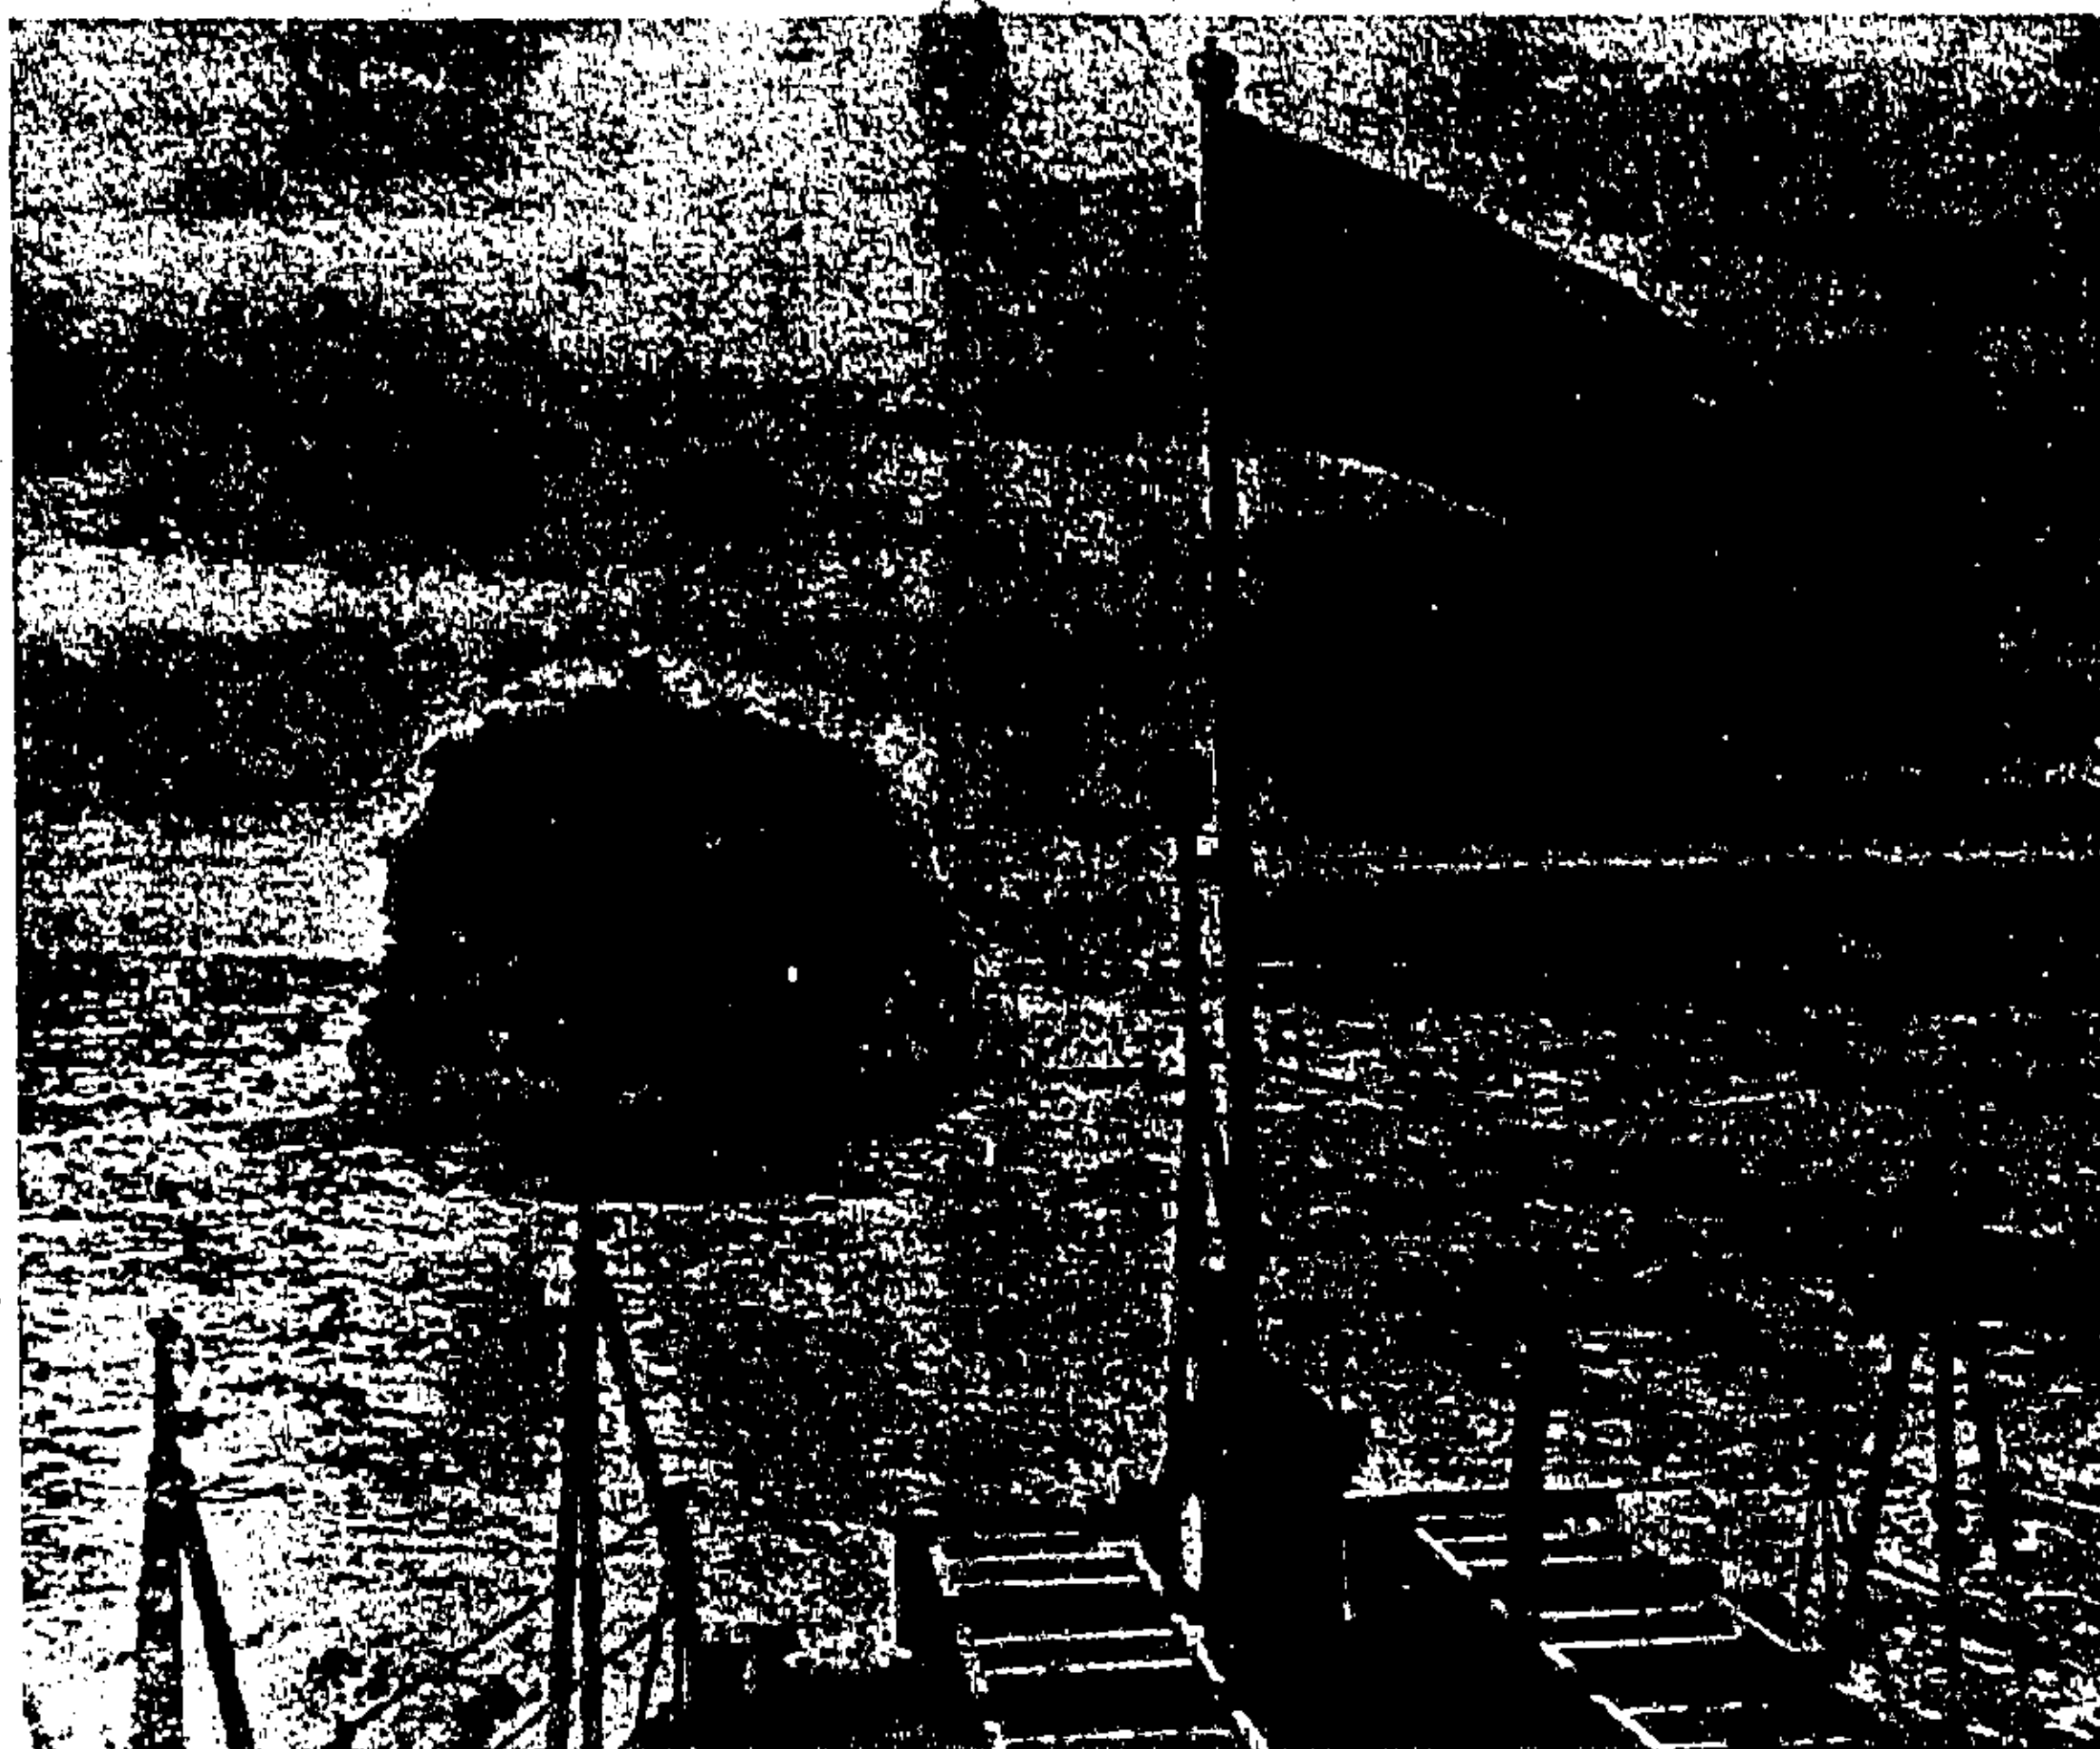

In exchange for this territory, which is a big mining centre, the Soviet would give Finland 3,000 square kilometres to the north of Lake Ladoga.

It is considered certain, the message adds, that the Finns would reject the suggestion, if made.

ed. 50 pounds of baggage, and their destination is not known. In the Vilna district, demonstrations are prohibited. The Nazis drove out Jews from German occupied territory towards the east before the Russians arrived at the demarcation line. Twenty to thirty thousand Jews have been sent and Russia has now refused to take any more.

"Japan is still bitterly opposed to Communism in China and it is just possible, however, that the Soviet might agree to a guarantee of peace on its eastern frontier and for improved economic relations. It is significant that such an agreement is keenly desired by the German Government."

## FIGHTING U-BOATS

One of the chief weapons of the British Navy in its fight against Nazi U-boats is the depth charge, which is dropped overboard to explode with terrific force (as shown above in a picture taken in the North Sea recently) at a spot where listening devices have detected a lurking submarine.

## British Navy Sights City Of Flint

LONDON, Nov. 3 (Reuter).—An Admiralty statement regarding the American steamer, City of Flint, says that units of the British Navy have sighted the vessel proceeding south off the Norwegian coast in Norwegian territorial waters.

She is expected to remain in Norwegian and Swedish territorial waters until she enters the Baltic. The steamer was stopped outside Bergen and was escorted by three Norwegian warships, the doctor of one of which is attending an American member of the crew of the City of Flint. He is expected to disembark in the Norwegian port.

## ALLIES CAPTURE HALF MILLION TONS OF ARMAMENT MATERIALS

## Valuable Contraband Seizures Rob Nazis Of Vital Needs

LONDON, Nov. 3 (British Wireless).—Allied contraband control organisations have now intercepted and detained well over 500,000 tons of contraband suspected of being destined for Germany. French official figures published on October 12 announce the seizure, up to that date, of 150,000 tons. British figures for the fortnight from October 14 to 18 show that 63,000 tons were intercepted, which raises the British total for the first eight weeks of war to over 400,000 tons.

## Bombs Kill Customs Man Near Namtau

One Chinese officer of the Chinese Maritime Customs station at Sha Yu Chung, near Namtau, was killed and two other members of the Customs staff seriously injured as the result of Japanese bombings yesterday.

Two Japanese planes dropped 11 bombs about 8 a.m. yesterday on Sha Yu Chung. The object of attack was the Customs station.

The two wounded men have been removed to Hongkong for medical attention.

About an hour after the attack, Kam Yip, which was at the time proceeding from Sha Yu Chung to Hongkong. The planes descended menacingly, but flew away after observing the British flag.

## PRIVY COUNCIL AT PALACE

LONDON, Nov. 3 (Reuter).—The King held a Privy Council in Buckingham Palace this morning.

Mr. R. C. Casey, the Australian Minister who is at present in London for a conference, was sworn in as a member. Sir Ronald Campbell, newly-appointed Ambassador to Paris, was also sworn in.

### NEW ENVOY TO BERNE

LONDON, Nov. 3 (BWS).—The King has approved the appointment of Mr. David Kelly, Counsellor in the Foreign Office, to succeed Sir Warner, on his retirement at the end of the year as British Minister at Berne.

## FINDING OF INQUIRY INTO SINKING OF NEW MATHILDE

That the grounding in Fort Bayard weakened the bottom plating sufficiently for them to be badly started after the strain of pitching in the open sea, and that the master of the vessel was culpable of an error of judgment only in not taking a more serious view of the possible effects of the grounding on his ship, is the essence of the finding of the Court of Inquiry held in the circumstances surrounding the sinking of the s.s. New Mathilde, a Hongkong-registered steamer, which met with disaster off Kwongchowwan on October 21, while on her way to the Colony.

## Escort Girl In Suicide Attempt

Two pretty Chinese girls were involved in alleged suicide attempts yesterday.

Found about 10 a.m. in the Asia Hotel suffering from the effects of an overdose of opium, believed to have been self-administered, a 19-year-old girl was removed to the Queen Mary Hospital.

The girl gave her name as Ngan Foon, and her address as No. 128 Des Voeux Road Central, third floor. Inquiries revealed that the girl is no other than Ramona, popular local girl escort. The address is that of the Chung Hwa Escort Bureau.

No motive for the attempt is known, but the girl is understood to be progressing favourably after medical attention.

Kiang Fek-cheung, 24-year old girl, was found about 8 a.m. yesterday at the Chee Sung Boarding House, suffering from the effects of having drunk lysol. She was rushed to the Queen Mary Hospital, where she was given treatment.

## GOERING TO VISIT ROME

ROME, Nov. 3 (Reuter).—According to the Italian press, Field Marshal Hermann Goering is visiting Rome next week.

The Lord Mayor's Red Cross and St. John Fund for sick and wounded in war has now reached £200,000, says a British Wireless message from London.

The inquiry concluded yesterday at the Marine Court. Commander G. F. Hole, Harbour Master, sat as the President of the Court of Inquiry which consisted of Lieut. Commander K. W. Kirby, H. M. Dockyard, Mr. K. D. Lane, master of the s.s. Ruby Castle, Mr. D. M. Hood, master of the s.s. Hongkong Kheng and Mr. E. Walker, master of s.s. Haitan.

Mr. D. L. Strellett was present on behalf of the skipper of the ill-fated vessel, Captain R. Wherry, while Mr. M. M. Watson watched the interests of the owner, Mr. Pang Kok-sul.

### THE FINDING

Giving the Court's finding, Commander Hole said:—

We find that the British s.s. New Mathilde, registered at Hongkong No. 152087, of which Mr. Robert Wherry, holding Certificate of Competency as Master No. 4279 of Hongkong, was Master, arrived at Fort Bayard on October 17, 1939. During her stay at Fort Bayard, i.e. between the October 17, 1939, and 4.30 a.m. on October 21, 1939, the ship grounded several times on the western bank of the river.

The master was cognisant of this fact and took steps to ascertain the nature of the bottom, which he found to be soft mud.

### ROUGH SEA

At about 4.30 a.m. on October 21, the ship left Fort Bayard for Hongkong with a full complement of livestock and all necessary precautions re closing scuttles and cargo ports were taken. On clearing the mouth of the river, the vessel met a strong north-easterly wind and rough sea.

She proceeded on her voyage towards Hongkong, and was pitching fairly heavily when it was discovered that she was making water.

# EXCELLENT FORM DISPLAYED BY TEAM D IN STUBBS CUP POLO COMPETITION

## Likely Winner Of This Year's Trophy

### FAST AND THRILLING GAME YESTERDAY

Although Team B is in the leading position to date in the Stubbs Cup Polo Competition, with a total of five points and a finished schedule of play, and Teams A and D are second, each with four points and two more games in hand, after the display given by Team D yesterday, when they defeated Team E. It seems quite safe to venture a forecast in favour of Team D winning the Cup this year.

Teams B and C are completely out of the running, and if any team is going to upset the present calculations, it will be Team A.

With Capt. Gilbertson and Lt. Holdsworth combining as well as they did in the brilliant game they played yesterday, it is really difficult to see how they can be outplayed by any of the other teams they have to meet in the competition.

If the present programme goes according to plan, the final games will be played off next Wednesday, when the Cup will be formally presented to the winning team.

#### YESTERDAY'S GAME

Yesterday's game between Team D (White) and Team E (Red) was one of the fastest and most thrilling games seen for some weeks, and only in the last two did the play slacken in speed.

"Hit hard and hit often" seemed to be the slogan of the players, however, and the spectators' interest was maintained to the end when the final bell went with the Whites (Team D) the winners by one goal in a total of seven.

An unfortunate feature of the game, however, was the frequent crossing by Whites, for which the Reds were given as many as six

penalty shots, but in all, except on two occasions, they were either cleared or went wide.

#### HIGH STANDARD

Lt. Chattey appeared to be the chief offender, although no doubt the crossings were unintentional and only due to the excitement of fast play.

Lt. Chattey was conspicuous as the outstanding player on his side. Combining well with Forrester and ably supported by Major Morgan, he contributed much towards the high standard of polo played yesterday.

#### THE PLAY

The game opened with a fine display by Lt. Chattey in an onslaught on the Reds' goal. Getting the ball from a melee, Lt. Chattey hit a long shot to Major Morgan, who had no difficulty in tossing it into an open goal at close range. This put the Red's score up to two, as they started with a handicap of plus one.

Gilbert failed to score from a 60 yards penalty against Whites. Lt. Hennessy clearing brilliantly. The chukker ended with the score two-nil in favour of the Whites.

#### TWO PENALTIES

A penalty for crossing against Whites from the 40 yards saw the Reds score go up to one, an excellent saving attempt by Lt. Chattey being unsuccessful. Another penalty against Whites for crossing was missed by Capt. Gilbertson.

The chukker ended with the Whites' score three against the Reds, one as the result of a brilliant shot by Forrester. Taking the ball from midfield, he broke through stout opposition and shot in a beauty.

#### EXCELLENT RIDING

Taking a good back-hand pass from Holdsworth, Capt. Gilbertson covered almost the entire field in three or four excellent hard shots and scored, while Hancock ably bottled the opposing back.

Each side failed to score from penalty hits awarded them; Capt. Gilbertson and Lt. Chattey took the 15 for their respective sides and both shot just outside. The chukker ended with the Whites leading three-two.

#### LAST CHUKKER

In the last chukker Gilbertson scored a very nice goal from a penalty, the Whites again being guilty of crossing.

The score was even until within two minutes of the end, when Lt. Chattey put the Whites on top with a close range shot.

Another penalty against Whites for crossing failed to alter the score, Capt. Gilbertson missing the goal post by inches.

#### THE TEAMS

Capt. S. Burn and Capt. Hunt acted as umpires and the teams were:

Team D (White): Lt. T. W. Chattey, B. T. C. Forrester, Lt. R. A. M. Hennessy and Major W. A. C. Morgan.

Team E (Red): Capt. R. Gilbertson, Major R. J. L. Penford, Lt. J. A. Holdsworth and F. S. Hancock.

The billiards match in the Steel Coulston League, which was to have been played last night between the Garrison Sergeants Mess "A" and the Prison Officers' Club at the Garrison Sergeants Mess, has been postponed to Monday at 7 p.m.

### CRICKET NOTES:

## RECREIO TO MEET I.R.C. AT KING'S PARK

### GOSANO FAMILY MIGHT PROVE TOO STRONG FOR INDIANS

(By "E. U. Ropes")

Some excellent cricket should be seen at King's Park this afternoon when Club de Recreio entertains the Indian Recreation Club in a senior division encounter. As far as I have been able to ascertain, both sides will be very nearly at full strength, but A. R. Kitchell, who has been making so many runs for the Indians thus far, is a doubtful starter. M. el Arculli, however, is coming into the side again and should strengthen the bowling.

The game was originally to give them a good run for their money.

Earlier in the season, I boldly predicted that the Kowloon Cricket Club juniors will be able to crush all opposition in the Second Division but since then University, who were denied admission to First Division, have done so well that I am not so sure about Kowloon's chances. The University have played against a number of Senior teams to date and have done uncommonly well.

As far as I can see it will probably develop into a game between the Gosano family, plus Albert Rodrigues, against the Indians. If the latter can get these players out cheaply enough, they might be able to force a win. Kasha Nazarin appears to have lost his form completely—too much baseball and softball to my mind. Anyway if he makes a big score today it will not be out of turn.

#### AT HAPPY VALLEY

A Happy Valley Craigengower Cricket Club will be at home to the University and despite the fact that the former are a much stronger team, on paper I feel the Undergraduates will be able

#### WILL BOWLING WEAKEN?

Dr. Lindsay Ride turned out for them last Saturday and if he will do so regularly he will stiffen their batting very considerably. J. Fong, Sen Gupta and Hong Chay all seem to be seeing the ball very well and should get quiet a good many runs.

It is only to be hoped that the fact that R. Singh and W. Gegg are bowling so well at the moment will not mean they will go stale by the time the League commences. Sometimes it works out that way, but for the sake

### "Dramatic School"

At The Majestic Tomorrow

The ambitions, struggles, disappointments and joys of a group of young people who form a caste by themselves, whose thoughts and behaviour differ widely from other strata in the social structure, are dramatically bared in "Dramatic School," which opens at the Majestic Theatre tomorrow.

The new picture brings to the screen two brilliant acting portrayals, one offered by Louise Rainer as the poor student who works in a factory at night in order to earn her tuition, and the other by Paulette Goddard, who as a fashionable student of the school has a role offering an intense dramatic contrast to that of Miss Rainer's.

Others in a finely-balanced cast include Alan Marshall, Lums Turner, Genevieve Tobin, and Gale Sondergaard.

## MYSTERY FILM AT THE KING'S

## "The Hound Of The Baskervilles"

Sir Arthur Conan Doyle's "The Hound of the Baskervilles," one of literature's most shocking, spine-chilling, mystery stories and the greatest of all Sherlock Holmes' astounding adventures, has at last been transcribed to the screen.

Tall, spare, hawklike Basil Rathbone, in the perfect-attitude role of the great detective, is co-starred with Richard Greene and Wendy Barrie in the 20th Century-Fox production which will be presented at the King's Theatre today.

Nigel Bruce plays the famous Dr. Watson, the great detective's constant companion, "Bowwell" and amazed observer. Also included in the cast are Lionel Atwill, John Carradine, Barlowe Borland, Beryl Mercer, Morton Lowry and Ralph Forbes.

Preview critics have accorded "The Hound of the Baskervilles" their enthusiastic acclaim.

### SIX AND EIGHTPENCE

"Meredith, I want to make my will. My fox-head scarf-pin to my Uncle Philip, unless he remarries. My collection of film stars' portraits, autographed, I leave to the Mess. To my faithful butler, Albert Hawkins, the contents of my cellar..."

"But, Lord Henry, isn't this rather sudden? It was only last night that I chanced to catch sight of you in Regent Street on the roof of a taxi-cab, counting a fanfare on what appeared to be a hunting-horn."

"Don't remind me of it, Meredith. If you only knew how I feel. Not a morsel of food has passed my lips since a brace of devilled bones at three a.m."

"I am indeed sorry to hear that,

"Lord Henry, but in all my long experience I have seldom known a hangover prove fatal. Are you not cognizant of Ross's Lime Juice?"

"I think so, why?"

"Because the said Ross's, whether taken as 'Gin and Lime' or consumed before bed, does, by virtue of its therapeutic properties, neutralise the after-effects of alcohol and render hangovers null and void."

"Is this true, Meredith?"

"I am speaking, Lord Henry, as your solicitor."

"Thank you, Meredith, from the bottom of my heart. You have given me fresh hope. Believe me, when I do come to make my will you shall not be forgotten."

## Enemy Aliens In Britain

### NEARLY 10,000 ARE EXEMPTED FROM INTERNMENT

LONDON, Nov. 3 (Reuters).—The position of enemy aliens in this country was explained in the House of Commons yesterday by the Home Secretary, Sir John Anderson.

He said that tribunals had interviewed over 13,000 aliens.

Of these, 186 had been interned and over 3,000 exempted from internment, but subjected to special restrictions, and the remainder of some 10,000 exempted from internment and restrictions.

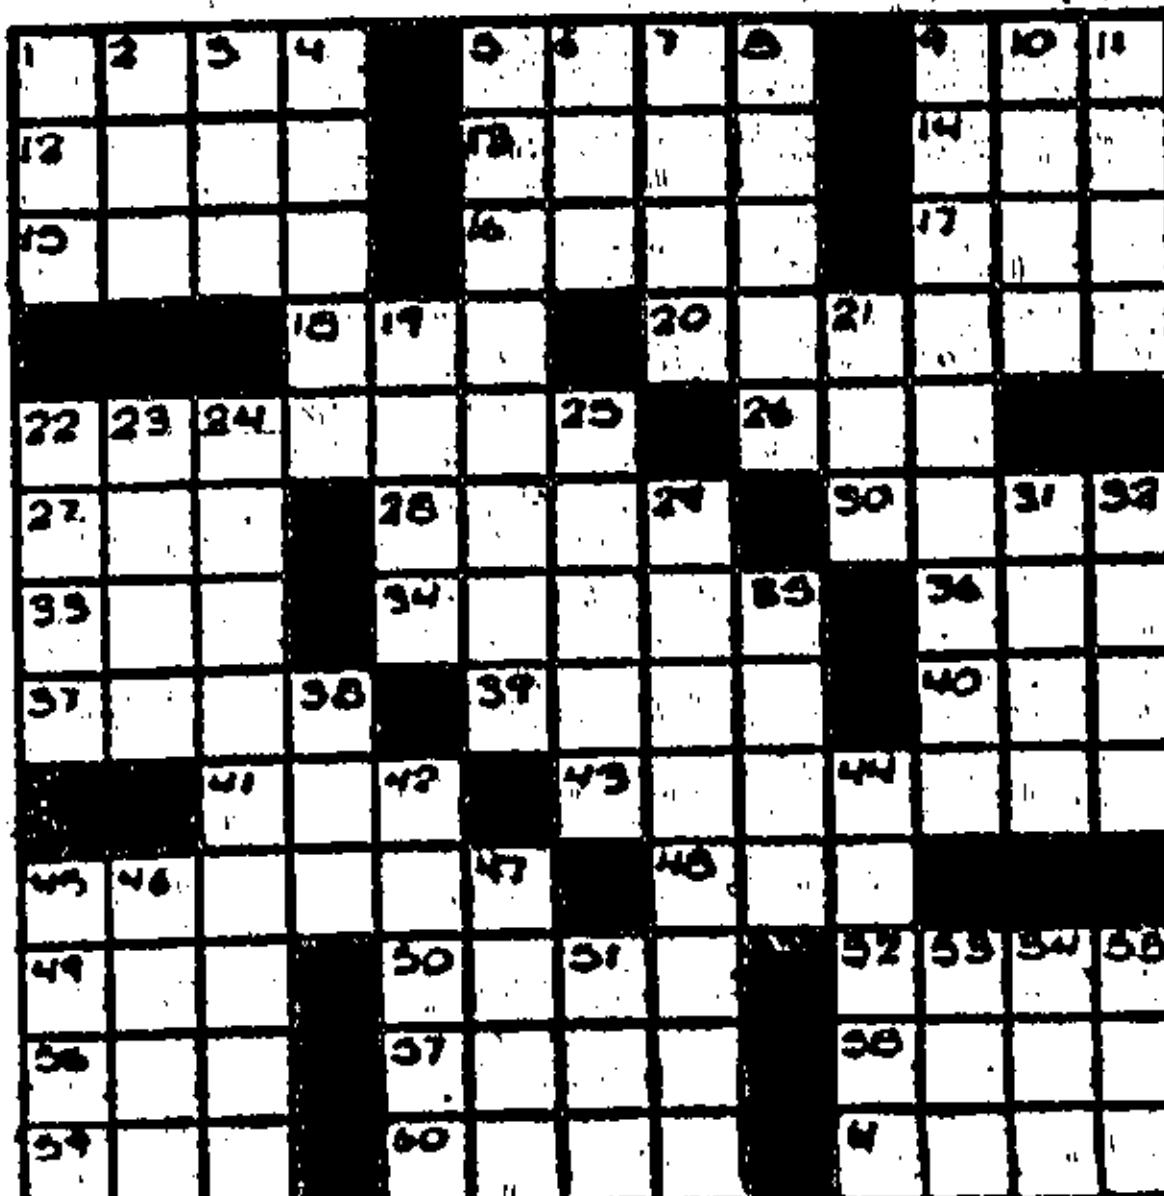

In the case of the latter the term "enemy alien" would not appear on their certificates.

## BRITISH RED CROSS AND ORDER OF ST. JOHN COMBINE FOR NATIONAL EMERGENCY

## JOINT COMMITTEE FORMED

Mr. Alfred Morris, former Director of the local branch of the St. John Ambulance Brigade, has received a communication from the Joint Committee of the British Red Cross and St. John Emergency Committee 1939, informing him that in the early part of this year initial steps were taken to ensure that should a national emergency arise, the British Red Cross Society and the Order of St. John would be able to begin work immediately as a joint organisation, as was done so successfully in the last war.

By April, 1939, a joint committee had been formed under the Chairmanship of Sir John Kennedy, and in July this Committee was reformed and strengthened, Lord Cromer becoming Chairman and Sir John Kennedy Vice-Chairman, and from that date all necessary preparations for a possible emergency were pushed forward with the utmost speed.

## MANY DEPARTMENTS

The Committee has set up, or is in process of setting up, a number of departments. These are as follows and the names of the ladies and gentlemen who have kindly accepted invitations to take charge of these are also shown below:

Stores:—Sir Charles Howell Thomas, Major A. Abrahams, Major A. V. L. Gulse.

Personnel and Travelling: Sir Vivian Gabriel.

Auxiliary Hospitals and Convalescent Homes: Lord Stanmore.

## APPEAL FOR FUNDS

The V.A.D. Department will be, of course, greatly expanded. The Central Hospital Supply Service directed by Lady Falmouth has been at work for several months and the address of this department is now 41, Lowdes Square, S.W.L.

An appeal for funds for the work of the Joint Committee has already appeared in the press, and the Lord Mayor of London, with the resources of the Mansion House, has taken charge of it.

Mr. Morris has been asked to give all the assistance he can to the authorities in Hongkong to support this appeal.

The St. John Ambulance Association and its Stores Department and the St. John Ambulance Brigade will continue to function as heretofore.

## AMERICAN OPINION

(Contributed)

THE AMERICAN INSTITUTE of Public Opinion periodically asks a great number of men and women in all walks of life about their political views. A few weeks ago they have been asked whether they believe that Nazi Germany would sooner or later start a war against the United States in case Germany should succeed in defeating England and France in the present conflict.

THE ANSWERS are very significant. Fully 63 per cent. of all the people who were consulted voted yes. 7 per cent. stated that they had no opinion on the question, and only 30 per cent. replied that they did not believe in such a danger. This means that two-thirds of the average citizens of the United States realized the importance to themselves of an Allied victory against Nazi Germany.

THE INSTITUTE took occasion, a short while ago, to measure the trust which the American people are putting in Hitler's word. This was when the Fuehrer of the German Reich after the Munich Conference, publicly and solemnly declared that, after the incorporation of Sudeten Germany into the Reich, he had no more territorial ambitions: 92 per cent. of the voters who were consulted by the Institute, openly declared that they did not believe him.

IT IS HIGHLY characteristic of American opinion that even the 30 per cent. of the voters of the American Institute of Public Opinion who do not see any likelihood of a Nazi attack on America, in case of victory over Britain and France, should base their confidence on other arguments than that of confidence in Hitler's allegedly peaceful intentions towards the United States. Their reasoning takes either of the two following lines: "America is too far away from Europe to make an invasion possible," and "the European war, even if it ends in a Nazi victory, is bound to exhaust Germany too much to make it possible for her to attack the United States."

THE VAST MAJORITY of those who are less optimistic, seems to be based on recent Nazi activities in South America. Political conditions in a good number of South American countries are such that Nazism has succeeded in gaining some influence on the course of domestic developments. The Nazi party has devoted much energy and a good deal of money to the support of anti-British and anti-American movements in some countries of South America, and these movements which the Nazi party fostered through all possible channels, gained some potential importance because it coincided with anti-constitutional activities of dissatisfied minorities. It must not be forgotten that South America had already been one of the chosen fields of German propaganda and German penetration before and during the last world war and that South America was the only territory in the world where even during the short rule of the German Republic reactionary activities on the part of the numerous German residents was rife.

UNDER NORMAL CONDITIONS, German agitation in South America would never

## IMPROVEMENTS IN SHIP LIGHTING

A lecture of a highly technical nature on the subject, "Modern Improvements in the Lighting of Ships," was delivered by Mr. H. C. Margrett, manager of the General Electric Company of China, Ltd., at the Engineers and Shipbuilders Institute yesterday.

Despite its technicality, Mr. Margrett, with the help of lantern slides and demonstrations, made the talk equally interesting for the large audience, consisting not only members of the Institute but students from the Hongkong University and a few members of the Royal Engineers.

Lo Tong, 18-year-old shoeblick charged with the manslaughter of Li Wing near the Silver Dragon Restaurant, Des Voeux Road, was committed yesterday to stand trial at the forthcoming Criminal Sessions.

have any chances of success. But the repercussions which the recent events in Europe had in some of the Latin American countries have somewhat improved the prospects for German propaganda. And in the unlikely case of a German victory in Europe, these prospects might be further increased. This is the main but not the only potential danger which the United States have to take into account when they judge the possible consequences of a Nazi victory for their own continent.

IT MAY BE SUPPOSED that few of the people who were consulted by the American Institute of Public Opinion, envisage a frontal German attack on the United States within a short time. They are looking further ahead; they are taking into account the existence of a strong political Nazi organization within the United States themselves, and far from being frightened of Germany, they just want to put it on record that the first line of American defence is actually in Europe.

THIS DOES NOT MEAN that the citizens of the United States are seeing any necessity for joining the Allies in their fight against Germany. This majority is still in favour of keeping out of war. But the German Ministry of Propaganda seems to under-rate the importance of America's definite views about the potential danger from Nazi Germany. Recently the propaganda broadcast from Berlin proudly announced that "only 29 per cent." of American voters who had again been consulted by one of the many agencies which try to measure its political views, were found to be in favour of joining Britain and France in their war against Germany. This percentage is really surprisingly high.

## CATHEDRAL WEDDING

Miss Daisy Eleanor Howard, nursing sister of the Country Hospital, Shanghai, was married at St. John's Cathedral yesterday to Mr. Ian Edward Heath.

Miss Howard was unattended, and was escorted to the altar by Sergeant Major E. Wynne, R.A.O.C.

The groom is the son of the Rev. John Heath, of Glasgow, and is connected with the Hongkong Government. Mr. L. S. Smith was best man.

A reception was later held at the home of Mrs. D. Mitchell.

## LOCAL CRICKETER TO MARRY

The wedding between Mr. A. K. Ismail, son of the late Mr. and Mrs. S. C. Ismail, and Miss Ashraf Sufiad, daughter of the late Mr. M. B. Sufiad and Mrs. M. B. Sufiad, will take place on Thursday, Nov. 16. Invitations have been sent out to the reception which will be held at the Indian Recreation Club.

Mr. Ismail is on the staff of the American Express Co. and is a member of the Indian R. C. and the Craginower Cricket Club. He has played cricket for the latter for some seasons, and some years ago was captain of the Indian Recreation Club 2nd XI, which won the Junior cricket League.

## Chinese Newspaper Loses Libel Suit

Judgment for \$100 and costs was given for the plaintiff by Mr. Justice R. E. Lindell at the Summary Court yesterday in a libel case which concluded recently.

The plaintiff was Mrs. Mary Kou Cheng-hsu, of No. 42A Hollywood Road, who claimed damages of \$1,000 from Ching Chat Kee Po She, Man Ngai Printing Press, Ma Ngai Tam and Lo Wo for publishing her photograph and an article headed, "Words uttered with tears by the female escort Ying Ying Woo," in a Chinese biweekly paper.

Delivering judgment, Mr. Lindell said:—

In my judgment the plaintiff's claim herein for damages must succeed.

In an action for libel the plaintiff has only to show that his or her reputation has been assailed by the defendant to entitle him "prima facie" to damages, since it is a presumption of law that damage to that reputation must have followed from the attack upon it. "Even where (as here) there is no evidence that the plaintiff's reputation has suffered, he is entitled to damages by reason of the mere probability that consequences injurious to him will ensue from the libel. He may strengthen his case by showing that such consequences have in fact ensued, but in such cases the evidence in question is given merely for the purpose of emphasizing the fact that that has actually happened which the law would presume without proof." (See Clark & Lindell's Law of Torts (9th Edn. p. 847).)

It is not a case of "injury sine damno." Once the "injury" is proved, the law presumes the damage to have followed.

Here I am abundantly satisfied that the newspaper article and photograph complained of were libellous of the plaintiff, in that the photograph (so I find proved) was a reproduction of an actual picture of the plaintiff and the article written round it stated in so many words that the lady of the photograph was an escort girl—a statement which bore the clearest innuendo that she was likely to be unchaste and little better than a prostitute.

I am satisfied also that reasonable persons who knew the plaintiff by sight might well have been misled by the article to believe that she had left her husband and was following the dubious calling of an escort girl under the fanciful name of Ying Ying.

It follows that the defendants must be liable under the rule in *Hulton v. Jones* (1910) A.C. 20, even though they have proved that the articles were not intended to apply to the plaintiff and that they were not aware and had no reason to be aware of her existence.

### INNOCENT OF INTENT

At the same time I am equally satisfied that the defendants here-

# Hello & Goodbye

(BY A. W. HYER)

Within the next ten days many of the larger passenger and cargo steamers will be calling here. A big Italian steamer will arrive from Europe, and a vessel belonging to a well-known British shipping company will pay first call in Hongkong outbound from European ports with passengers. The popular vacation motorship from Australia will soon be in harbour, and one of the American flagships will be stopping by with a long passenger list and tons of cargo from the United States.

All of these big liners of the world's waterways will be returning to their home ports, arriving a week or ten days before Christmas. Therefore, watch the mailing dates for your season's gifts and cards.

### Pan American Airways

THURSDAY AT 8.40 A.M. Captain W. J. Barrows put the big Honolulu Clipper into the air and headed for Manila and San Francisco.

Travelling to the United States were the well-known Mr. and Mrs. Bruce G. Leighton, connected with the Inter-Continental Corporation in Hongkong. Accompanying her parents was Miss Janet G. Leighton. This group, like many of the executives of their organization, are definitely air-minded. When they have places to go they naturally hop onto a plane. Mrs. Leighton and her daughter expect to remain in the United States, where the young lady of the family will attend school.

Another family heading for home in America were Mrs. L. Brown and her two children, Timothy and Laurel Brown. School days are in store for the young men, and Mrs. Brown expects to remain in the United States for some months. This family leaves "papa" behind in Hongkong at his desk in the Standard Vacuum Oil Co.'s offices.

Mr. A. Bouwess, executive of Wise and Co., had a very pleasant short visit in Hongkong. He returned on the Clipper to his desk in Manila. It was a Clipper round trip for him.

Down to Manila business-calling flew Mr. A. V. White, a member of the brokerage house, White, White and Co. He will soon be returning, his trip south being quite short.

### Imperial Airways

THE MIDWEEK SERVICE of Imperial Airways which landed at Kai Tak, Thursday, 5 p.m., deposited Mr. C. D. Dixon of New Zealand in our city. This gentleman is returning from glorious holidays in the south to his business offices in Shanghai. He regretted that his splendid holiday was at an end and equally so his air journey from Sydney via Imperial Airways, which service could he not praise enough!

Mr. Wan Hsok Jin, a passenger from Bangkok, actually disappeared under our eyes on his arrival.

THURSDAY, VERY EARLY, 6 a.m. the Air France departed on its homeward voyage to France via Hanol from Kai Tak.

Mr. A. van Sickle, the tall and popular representative of International Harvester Co. in Hongkong, was off again for a visit in Hanol. This gentleman should certainly be given a commuters ticket, for every month, and sometimes more frequently, he is hopping south on his business calls.

Captain E. Bertin was the other European passenger travelling to French Indo-China. The identity of seven Chinese passengers were not divulged.

### Steamer Traffic

ONE OF THE AMERICAN passenger steamers arrived in the harbour quite recently.

Mrs. J. W. H. Blair was the most anxious lady aboard this traveller from Manila is the wife of Commander R. Blair, U.S.N. who is at present quite ill in one of the Hongkong hospitals.

Friends were on tap to greet Mrs. Roswell Blair, traveling up from Manila. Her welcome was a gay one.

Away in the early dawn sailed the American steamer with a group of well-known people from our city.

Mr. and Mrs. G. Lynott, representative of the American Bank Note Co. in Shanghai and wife returned to their northern home and offices. Their visit in Hongkong was quite short but was thoroughly enjoyed from social and business points of view.

Mr. J. R. Morris, of United Press, well-known for his sense of humour and joy of living, was returning to his northern territory. This outstanding member of the Fourth Estate in the Far East recently flew down from Chungking, where he had been covering the big pow-wows!

Shanghai bound was Mr. L. M. Johnson, executive of the National City Bank of New York, and Mr. A. I. Caplan, of Warner Bros. What combination of travellers! There will certainly be no rest for the weary with these gay and alert gentlemen all in one steamer.

Mr. Carl L. Reed, representative of Kelly Tire Co., holds a ticket to San Francisco and Mr. F. K. Paget, well-known official of Standard Vacuum Oil Co. is also travelling to the American west coast port.

Completing a very fine travel "spre" is Miss N. Dekker, a young lady connected with the United States Department of Commerce in Washington, D.C., travelling home by the American steamer.

Quite a send-off Mr. J. Kirven should have had, and probably did, the night before he sailed for England via the United States. This popular member of local society and an official of David, Boag and Co. Ltd. is returning to England, where he will don his army uniform and join the Army. Many friends wished him luck, pleasant landings in United States and were sad at his departure.

## NORTH LANTAU PROHIBITED AREA

Commencing yesterday, junks and other small craft may use the channel between CHU LU KOK Island and LANTAU. All craft using this channel must keep to the SOUTH EASTWARD of a line joining the SOUTH point of CHU LU KOK and EAST BROTHER Island.

In were innocent of all intent to libel the plaintiff or anyone else when they published the offending article, and their subsequent refusal to publish an apology must be imputed to ignorance rather than to defiance. At the same time they accepted the manuscript and photo from an apparently unknown and "mala fide" contributor in Macao whom neither side has since been able to trace, and printed it without enquiry.

There was here such reckless indifference as to whether the article was true or false as to amount in law to malice.

I consider that justice will be done if I give the plaintiff judgment against the defendants for \$100 and costs.

## INDIA'S PROBLEMS IN LORDS: CONGRESS VICEROY'S INVITATION

LONDON, Nov. 3 (Reuter).—A suggestion that while the war is in progress a group of statesmen might devote themselves to considering problems in India, including the minorities, the Federation and Dominion Status, was made by Lord Samuel, when India was discussed in the House of Lords yesterday afternoon.

He did not see why the outbreak of war should make it impossible for these matters to be pressed.

Lord Samuel regretted the action of the Congress in calling on Provincial Ministers to resign at a time when the Empire was engaged in a life and death struggle, for the purpose of which India is in whole-hearted sympathy.

### COMMON GROUND

The Marquess of Zetland, Secretary of State for India, replying, referred to the Viceroy's invitation to the leaders of the Congress and the Muslim League to meet and discuss their differences.

He said that if, as the result of these discussions they could find a common ground on which the two communities could work together, the main obstacle in the way of associating leaders of political parties in an actual executive at a centre would have been removed.

### CONGRESS ACTION

Referring to the Congress, he said that the resignation of four Provincial Governments had already been tendered, and the resignation of 50 were expected.

This meant that the Government would be obliged to proclaim a breakdown of the Constitution of the provinces concerned and take the administration into its own hands.

### WAR ARMS

Regarding Britain's war aims, he said it was sometimes still said in India that they were fighting to maintain Imperialism there.

"But every step we have taken since 1915 emphasised and ratified the determination of the people of this country to work for self-government in India."

"Our intentions remain what they have been since 1919 and we are striving, with all sincerity to assist in removing the obstacles which at the present lie in the path of full fulfilment of the promises which have been made."

## DISCUSSED ACTION &

### KING INVESTS "AIRMEN"

LONDON, Nov. 3 (Reuter's Special War Service).—The Air Ministry announces that H.M. the King, during his visit to the Air Force on active service at home in the air defence of Great Britain, invested Air Force personnel with decorations in recognition of gallantry in the flying operations against the enemy as follows:

Distinguished Flying Crosses: Flying Officers T. M. W. Smith and John Barrett, who commanded the flying-boats which rescued the crew of the torpedoed merchantman Kensington Court in September last.

Distinguished Flying Medal: Sergeant W. E. Willis, who piloted an aircraft back to its base after the pilot was shot in the head in combat with an enemy flying-boat in September last.

Others decorated were Flying Officer Christopher Doran, who is now Acting Squadron Leader, although only 26 years of age, and Flying Officer Andrew McPherson, who is only 21.

They were awarded the D.F.C. for their work in the Wilhelmshaven raid.

## GERMAN SAILORS RESCUED, LANDED IN SCOTLAND

LONDON, Nov. 3 (Reuter).—The three German sailors who were picked up by a trawler from a lifeboat flying distress signals have been landed at a Scottish port.

It is understood that the men were picked up by a British destroyer and transferred to the trawler and when found all that they had was half a tin of condensed milk.

It is reported that they were members of a ship which was held up for carrying contraband to Germany and that they managed to lower a lifeboat during the night, in the hope of reaching the Danish coast.

### TWO ATTACKS BY JAPANESE REPULSED IN NORTH HUNAN: CENTRAL HUPEH BATTLE

CHENGCHOW, Nov. 3 (Central).—A chance encounter between the Chinese and the Japanese forces pushing westward from Yuanwu, on the north bank of the Yellow River, in Northern Honan, took place at Sincheng a few days ago. The Japanese were defeated, sustaining some 100 casualties.

Later, reinforced, they launched another drive towards Chungchochen in the neighbourhood and were again repulsed.

On the south bank of the Yellow River, Japanese reinforcements rushing to Changyiching from Hwaiyang and Taikang have been intercepted and beaten back by the Chinese. Changyiching, for the second time, has returned to Chinese control.

### WARSHIPS WITHDRAW

KWILIN, Nov. 3 (Central).—After their abortive attempt to land and marines at Tungpin, on the Yeungking coast, the Japanese warships have steamed off. However, three warships are now anchored off the coast of T'ienpak, approximately 60 miles east of Kwangchowwan. The Chinese there are taking precautions against any Japanese landing.

## POLICE BEAT ENGINEERS AT HOCKEY

The Police Hockey XI showing better combination and more drive than in last Friday's match, beat the Royal Engineers by two goals to one at Boundary Street yesterday.

Brown, at centre-half, Narwant Singh and Leslie among the forwards, Iqbal Singh at right-back and Balwant Singh in goal, were the pick of the police players. The Sappers were best served by their inside-forwards, Homburg and Denyer, while Singleton, left-wing, and Taylor, left-half, also caught the eye.

The scorers were Narwant Singh (2) for the Police, and Homburg for the Engineers. The score at the interval was 2-0. The teams:

Police: Balwant Singh; Iqbal Singh, Mehar Singh; Cheng Kachung, Brown, Jackson; Joginder Singh, Leslie, Narwant Singh, Slogan Singh, and Rothwell.

## Power Sought To Borrow For War

LONDON, Nov. 3 (BWS).—The Chancellor of Exchequer, Sir John Simon, has given notice to move in the House of Commons a resolution to obtain power to raise loans for financing the war. It will come before the House, and will form the basis for a Bill which will be taken on Thursday empowering the Government to borrow.

Any sums required are for raising any supply for service of the year ending March 31, 1940. Any additional sum not exceeding £250,000,000, and any sums required for repayment of maturing securities, is a procedure that is purely formal.

It does not necessarily follow that immediate advantage will be taken of the authority sought. It is, however, regarded as an indication that the Treasury feel that conditions were developing favourably for the issue of a loan.

## CATHOLIC NEWS & NOTES

### THE SOCIETY OF ST. VINCENT DE PAUL: CATHOLIC PUBLISHING FIRM: PRINCE COLONNA: HOLLYWOOD CONSULTS THE CHURCH

The Society of St. Vincent de Paul, whose Hongkong branch is holding its Annual Bazaar tomorrow, is one of the best-known charitable organizations in the world. It was founded in Hongkong in 1863.

There are now in the world upward of 150,000 active members of this Society, and their work is the help of the poor in their own homes.

The members are formed into groups, called "Conferences," which meet regularly and try to help the most deserving cases of poverty which exist in their district.

Belief is given to needy persons irrespective of race or creed, all the workers give their services voluntarily, and they make it their aim to give friendship as well as relief to those whom they assist.

The Annual Bazaar which the Society holds in Hongkong is organized on a very large scale and though it lasts only one day represents the fruit of many months' work. It is being held this year on the open space of ground at the end of Nathan Road, opposite the Peninsula Hotel and will be open from 2.30 until 11 p.m. The effort of the organizers is to make the fête attractive to visitors as well as helpful to the poor in its results and those who visit it because of their interest in the Colony's poor will also find it an interesting experience.

**CATHOLIC FIRM**  
The English firm of Catholic publishers, Burns Oates and Washbourne, were early in the field with books for Catholic soldiers. This is the oldest firm of publishers of Catholic books in England, and it has recently been reconstituted.

Some years ago it was amalgamated with one of the large general publishing firms and though the religious side of the work was fully safeguarded, it was found that there were inconveniences and it was by mutual agreement that the interests were transferred to exclusively Catholic ownership and management.

The original founder of the firm was James Burns, the son of a Scots Presbyterian minister who started business in London in the reign of William IV. During the

Oxford movement he was the chief publisher for the High Anglicans, but shortly after Newman's conversion he too entered the Church with his wife and family. He then disposed of all his Anglican publications and began again as a Catholic publisher.

For a number of years the firm was managed by Wilfrid Meynell who set a very high standard to the work and raised considerably the standard of Catholic books published in England. Wilfrid Meynell's wife was the distinguished poet, Alice Meynell, and they both befriended the greatest Catholic poet of recent times, Francis Thompson, whose works were published by Mr. Meynell's firm.

**PRINCE COLONNA**  
It is not often that a man with a great name proves a great administrator, but a remarkable exception was Don Piero Colonna the Governor of Rome who died recently. No name is more famous in the history of Renaissance Rome than that of Colonna, and the family claims to be able to trace its origin back through the Counts of Tusculum to ancient Roman days.

When he was appointed Governor of Rome he interested himself principally in the relief of the poor and in schemes of town planning. He set aside a certain time at which he was accessible to every corner and in this way he met all classes of the people, including the most needy.

His initiative and energy were shown in his schemes for beautifying the city and at the same time preserving the ancient remains of archaeological value. He maintained the traditions of his family too in his loyalty to religion and his example was productive of much good among people of all classes.

**CHURCH CONSULTED**  
When making a film of a story called "Full Confession," the executives of R.K.O. found that they were on dangerous ground from a religious point of view. The story is of a priest to whom a murderer confesses his crime, and who later must watch an innocent man about to be executed without being able to give any indication of the truth that he knows. Those in charge of the picture thought that it would be wise to get some guidance so that mistakes might be avoided, therefore they enlisted the assistance of a priest, Fr. O. B. Cook.

The man who takes the part of the innocent man is Joseph Calleja who is also playing Fr. Damien in the film which John Farrow is making of his own very successful book "Damien the Leper."

### LESSON SERMON

FIRST CHURCH OF CHRIST, SCIENTIST, HONGKONG

The subject of the Lesson Sermon in all Christian Science Church tomorrow, November will be:—"Adam and Fallen man."

The Golden Text will be:—"Awake thou that sleepest, and arise from the dead, and Christ shall give thee light." (Eph. 5:14). Among others the following citations will be read from the Bible:—"The night is far spent, the day is at hand; let us therefore cast off the works of darkness, and let us put on the armour of light. And they shall be mine, saith the Lord of hosts, in that day when I make up my jewels; and I will spare them: as a man spareth his own son that serveth him." (Rom. 13:12; Mal. 3:17).

The following citations will also be read from the Christian Science Textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:—"The human mind will sometimes rise above all material and physical sense, exchanging it for spiritual perception, and exchanging human concepts for the divine consciousness. Then man will recognise his God-given dominion and being. Through discernment of the spiritual opposite of materiality, even the way through Christ, Truth, man will reopen with the key of Divine Science the gates of Paradise which human beliefs have closed, and will find himself unfallen, upright, pure and free." (Pages 530, 171).

SINGAPORE RUBBER	November 1	November 2	change
buyers	37-1/4	37-1/4	unch.
sellers	35-3/4	35-3/4	unch.
APRIL-JUNE	35-1/4	35-1/4	unch.

The market was quiet.

**COTTON:** Prices steadied up on encouraging trade reports and on some foreign buying of distant positions. Offerings of spot cotton are limited as the growers are persistently holding their positions for higher prices.

**RUBBER:** The effect expected of the favourable business outlook and a better October consumption figure was about off-set by reports of increased shipment offers on a quiet market.

**WHEAT:** The easiness of foreign markets was ignored here. There was some hedge-buying against sales to the Government. Unfavourable crop news is unchanged.

**HIDES:** The market was quiet, and is easily to be influenced by any new incentive. Liquidation has apparently run its course.

**NEW YORK STOCKS:** Previous close, 151.60; Today's close, 151.56; Change off .04.

SOFTBALL NOTES:

MINDANAO-RECREIO "B"  
EXPECTED TO PROVIDE  
DOUR STRUGGLE

SIX MATCHES TOMORROW  
BY R.O.Y.

Although tomorrow's softball programme will consist of six  
matches, in only one, the Mindanao-Recreio "B" clash, are the  
contesting teams sufficiently well matched to provide any excite-  
ment for the fans who are expected to turn out in full force to  
witness this struggle, the result of which should be in doubt  
until the last put out is made.

The Mindanao gang lost a heart-  
breaker to the Canadian Chinese and the  
English Forumers wind up the day  
when they tangle at 3.00 p.m.

The Recreio Bees are still rather  
green, but play excellent mechanical  
ball which will give them an  
even money chance against the  
bluejackets.

MORNING MATCHES.

Two matches are scheduled to  
commence at 11 a.m.: Recreio A  
are at home to the 3rd Machine  
Gun Coy. and the Victoria Re-  
creation Club will entertain the  
Hongkong Bah Club at Prince Ed-  
ward Road.

The Rambling Rees, with  
probably the best balanced squad  
in the League, are expected to  
have things all their own way  
against the Emma Gees, whose  
poor showing, when they lost to  
the C.B.A., indicated that they  
will be leading contenders for the  
celar berth.

The Victoria R.C. have a pro-  
mising squad of youngsters who  
will trouble all but the strongest  
teams, but they cannot be expect-  
ed to give the powerful Ball Club  
gang much of a battle.

MOST FANCIED

The experienced Ball Clubbers  
are the aggregation most fancied  
to dethrone Recreio. If any de-  
throning is to be done, and Dave  
Leonard's boys do not intend to  
jeopardize their championship  
chances by under-rating any of  
their weaker opponents.

The first game to be played on  
the C.B.A. ground will see the home  
team in action against the Inter-  
national Athletic Club who are  
favoured to take their hosts for  
the proverbial ride. It must  
be admitted that the Central Bri-  
tish boys are capable of dishing  
up a good brand of ball when  
least expected, but their previous  
displays have been most erratic.

SECOND FRACAS

The Mindanao squad engage in  
their second fracas of the day  
when they clash with the Hong-  
kong Baseballers at 1.45 p.m. Cecil  
Douglas will probably give his  
second stringers an outing in this  
game and they should be quite  
strong enough to scuttle the fan-  
gling veterans of the Club.

Colonel Dave Walker intends to  
get back into active service in this  
clash, but it is doubtful if even  
his presence will pep up the Base-  
ballers enough to trouble the sal-  
lor boys.

The Canadian Chinese and the  
English Forumers wind up the day  
when they tangle at 3.00 p.m.

This looks like another two easy  
points for Bill Woo's Canucks al-  
though the Forumers, still smart-  
ing from their beating at the  
hands of the Liga Portuguesa, will  
go all out to rehabilitate them-  
selves in the eyes of their sup-  
porters by upsetting their op-  
ponents who are considered to be  
one of the strongest teams in the  
competition.

Local Polo  
Innovation

As the result of a decision made  
at a meeting of the committee of  
the Hongkong Polo Club yesterday  
evening, every player in a tourna-  
ment game will in future wear a  
distinguishing number.

This innovation in Hongkong  
polo will no doubt be greatly wel-  
comed by the public. With the  
aid of the numbers, spectators who  
are not familiar with the players  
or their ponies will be able to  
follow the tournament games with  
added interest.

CRICKET NOTES

Continued from page 2

If the visitors are sent in to bat  
the home team should manage a  
draw, or even force a win, all  
depending on how cheaply they  
can get rid of the Portuguese  
team.

ABBAS TO PLAY

A. V. Gosano is pegging away  
at a very steady length and  
should get in amongst the wickets  
especially as most of the I. R. C.  
bats are of the "cross-swinging"  
variety.

M. R. Abbas will be playing  
for the Indians and his vast ex-  
perience in League cricket,  
coupled with the fact that he  
always bowls with his head, should  
result in a few wickets for this  
medium-paced right-arm bowler.

On the Police ground the guar-  
dians of the peace will take on  
their neighbours, the Craigmower  
Cricket Club. A good game  
should result with very little in  
it at the finish.

LO TAK KUEN  
LEAGUE

The Lo Tak Kuen League will  
make further progress during the  
week-end when nine matches,  
three today and six on Sunday,  
will be decided at the Southern  
Playground, Wanchai.

The full programme is as follows:

ADDITION OF SENDER'S ADDRESS

Every article sent through the Posts should bear in the  
left-hand corner, or on the back, the name and address of the  
sender, so that the Post Office may be able in case of non-delivery,  
to return it unopened and without delay. A large number of un-  
delivered articles are destroyed every year at the Returned Letter  
Office because they contain no clue, outside or inside, of the where-  
abouts of the sender.
